Health Care Ministry

Sis. Williams was not prepared as she did not receive the directives prior to this meeting. Moderator Brown asked that she get back with him after she has had time to come up with a date and location for at least Health Fair.

Special Notes:

Ministry Leaders Appreciation: Moderator asked for input as to when to honor our leaders. Last year they were honored during the opening night concert which made for a long evening. He asked if it would be better to pick another day, so that it would not compete with the concert. Rev. Gregory Davis suggested that since each ministry has a worship service, maybe that would be a good time for them to honor their President. Moderator asked if any one objected, none responded. Moderator stated that we will try it for this year and see how it works out. He stated that it might even yield greater support to have it during their individual service.
